

From Hudson County Community College:

Francetta Hill – Francetta will graduate later this month with her associate degree in culinary arts. She plans to earn her bachelor's degree and open her own catering hall and bakery.

Francetta is President of the Beta Alpha Phi Chapter. As Chapter President, she co-captained the College's team in the American Cancer Society's Relay for Life, raising over \$2,300 for cancer research. She also planned the Chapter's annual Halloween party for children and participated in the Monticello Park Clean-up project in Jersey City and the Adopt-A-Beach Program in Belmar.

As a student in the College's Culinary Arts Institute, Francetta participated in Chefs for MS, a benefit to raise money for the National Multiple Sclerosis Society. She also served as an ambassador for the American Culinary Federation Competition.
