

From Passaic County Community College:

Jessica Hoffman – Jessica will graduate later this month with her associate degree in accounting. She holds a perfect 4.0 grade point average. She plans to earn her bachelor's and master's degrees and become a certified public accountant.

As a member of the Alpha Eta Chi Chapter, Jessica participated in holiday gift-wrapping fundraisers to benefit the American Way and various children's literacy charities.

Jessica has also been involved with her local Girl Scouts troupe for thirteen years. While in College, she spent time each week planning activities and meetings for members.

In addition, Jessica works as a babysitter and tutor to a fifth grader and a seventh grader, helping them with their school work.
