

From Middlesex County College:

Peter Knox – Peter will receive his associate degree in biology later this month. He plans to earn his bachelor's and master's degrees, and hopes to start a career in public service to help preserve the environment.

Peter is Co-President of the Upsilon Gamma Chapter. He has coordinated and participated in several of the Chapter's public service activities, including: the American Heart Association's Heart Walk and blood drive; the Elijah's Promise Soup Kitchen food drive program; the Kappans Klowning children's toy drive; the Tot-Read-A-Long program; Operation Green; Project Graduation; and the student tutoring program.

Peter also participated in numerous College-sponsored events, including Open Houses, Disability Awareness Day, and College Foundation fundraisers.
