

**From Camden County College:**

**Nelson Rodriguez** – Nelson will earn his associate degree in biology later this year. He plans to attend medical school, become a physician and start his own practice.

As a member of the Alpha Nu Mu Chapter, Nelson participated in the College's Recycling Project, helping to raise awareness in the College community. He was also a student ambassador for the Educational Opportunity Fund and volunteered at College Open House events. He also promoted the Chapter's Welcome Back Barbeque, an event that recruited eligible students to join Phi Theta Kappa.

In addition, Nelson participated in the American Heart Association Heart Walk at Cooper River Park, the Breast Cancer Walks in Philadelphia, Copper River Park and Campbell's Field, and volunteered as a tour guide at the Historic Tavern Hill House in Glendora.
